As she prepares to survey today's women about many of the same issues to see how we have changed (or not), she has plenty of strategies to share that can help women master the emotional, psychological, and physical impacts of aging. Recognizing that nearly half of all women are fearful and unprepared to meet the challenges of growing older, Dr. Nancy will guide participants beyond Instagram highlight reels that are photoshopped for perfection to move through every phase of their lives with confidence and will share tips to help them stay healthy, vibrant, and productive at every age!</p> <p><b>Workshop 2: Empowerment: Own the Relationship with Yourself</b>  <b>SPEAKER: Donna ("Coach DonnaKaye") Nealy MS CFT CNC ESI CLC</b>  Executive Director/Founder, Holistic Health and Wellness Consultant, ESTEEM Total Transformation</p> <p>Having a support system and relishing in the relationships that surround your decision to change and become a better version of yourself.
